A MESSAGE FROM THE PRINCIPAL

School will be very busy this month. Both our Grade 3's and 6's will be writing the EQAO assessments starting at the end of May. Many of our students will be involved in Track & Field and many more will be collecting donations for the **Rankin Cancer Run** over the month. Please get involved with the **Rankin Run on Saturday May 27th**. The school has set goals of having 130 participants and raising \$3500. These are big goals so everyone's involvement is important. Thank you! There is a parent survey that can be accessed on our school webpage until May 19th. Please fill out the survey as you feedback is very important.

GRADE 3 & 6 EQAO ASSESSMENTS

The Provincial Standards testing for Grades 3 and 6 will be held between May 23rd and June 5th. Testing will occur daily during this period. Please plan to make sure that your child is in attendance. Since education is a partnership of parents, students and teachers, we stress to parents to better prepare their children for the E.Q.A.O. assessments and the Ontario Curriculum by reading with your children from a variety of texts (poetry, magazines, newspaper, plays, etc.)

NEWSLETTER

would be very valuable. Reviewing and solidifying number facts and mathematical concepts would also be helpful. Visit the EQAO website at <http://www.eqao.com/> and navigate to the Parents Tab for further information about these assessments.

Spring Walk / Rolling to School Day

On **Friday, May 12th** Families are encouraged to leave the car at home and choose an active trip to school. Students are encouraged to wear green to celebrate the event.

If you live far from school, consider parking a few blocks away so you can walk part of the trip.

Walking, riding your bike and rolling to school is a great way to create a greater sense of community, enhance the safety of our school neighbourhood, be kind to the environment and our bodies and have fun.

We hope you'll join us by walking, bike riding or rolling to school on **May 12th** !

Dress Code Reminders

As the warm weather approaches we wanted to remind everyone that there is a dress code here at Westmount. All students need to follow the dress code which includes: no spaghetti straps, no bare backs or mid-riffs, no short shorts, messages on T-shirts have to be appropriate for school. Thank you for your cooperation.

Westmount's School Climate Survey 2016-2017

STUDENT AND PARENT SURVEY INFORMATION

What?

The school climate survey is an opportunity for students and parents to provide information about their experiences of school safety, acceptance, inclusion, and well-being. It is a web-based survey that guarantees anonymity of the respondents. A summary of results will be shared with staff, School Councils, and Safe Schools Teams for planning purposes.

Why?

A safe, inclusive and accepting school creates an environment for students to do their best in the classroom and beyond. Hearing the student and parent 'voice' is key to the development and implementation of school and board level improvement plans. Students and parents participating in the survey will not be asked for any personal information that will reveal their identity.

Who? When? Where?

Students:

The DSBN will be surveying all students in Grades 4 to 12 from **April 24 to May 19**.

Parents:

The parent survey will be available via a "**School Climate Survey**" link on the school's website from **May 1 to May 19**.

Parents will be required to enter the Survey Access Code 2-SSS-875-Z to participate in the school's survey.

The survey must be completed in one sitting.
